

1. Which should the nurse recognize as a Florence Nightingale nursing principle that is still practiced today?
 - A) The nurse must only follow the physician's orders.
 - B) The nurse should spend time caring for others.
 - C) The nurse should minimize teaching the client.
 - D) The nurse must spend the majority of time keeping the environment clean.

2. A licensed nurse has been asked to address a group of newly recruited nurses. What should the licensed nurse inform them about the nursing insignias?
 - A) Donning a nursing uniform is necessary when giving nursing care
 - B) Wearing a nursing school pin is necessary when giving nursing care
 - C) Wearing a name tag is necessary when giving nursing care
 - D) Displaying a religious symbol is preferred when giving nursing care

3. A female nurse has completed her education and joined a community hospital. She asks the registered nurse (RN) about the impact of the women's movement on present-day nursing. What should the RN's response include?
 - A) "It has no impact; nurses still provide only primary caring."
 - B) "It encourages nurses to work in a more collaborative manner."
 - C) "It allows nurses to work without having to report to physicians."
 - D) "It encourages nurses to work independently."

4. A female relative of a licensed nurse wants to pursue a degree in practical nursing. What type of school is most likely to provide this type of training?
 - A) American Red Cross
 - B) Young Women's Christian Association (YWCA)
 - C) Vocational or community college
 - D) Local public library

5. A registered nurse (RN) is discussing the role of nurses during World War II with a group of new nurses in an army hospital. A new nurse has a query about the impact of World War II on nursing. What should the registered nurse's response include?
 - A) "World War II had equal rank assigned to male and female nurses."
 - B) "World War II reduced the role of nurses in healthcare centers."
 - C) "World War II started recruitment of men as well as women into nursing."
 - D) "World War II marked the first emergency training of nurses."

Answer Key

1. B
2. C
3. B
4. C
5. C
